WELCOME TO EDWARDS & BLAKE AUTUMN / WINTER 2020/21 MENUS

Medical Diets and Allergies

If your child has a specific dietary need for a medical reason, we will work with you to create a menu to meet the needs of your child. We have a Medical Diet Procedure to follow, to ensure your child can safely eat with us. If you would like your child to have a school meal we would need to see a medical certificate from your child's consultant. We can then proceed with creating a suitable menu. Please ask your school for the Medical Diet Request form.

Once you have completed it please return to the school along with the Medical evidence, please ensure all details are correct and it has been signed. This will then be passed onto the Edwards & Blake team who will then create a safe menu for your child and implement as soon as possible.
